- What aftermarket seats are available for the Tiburon/Elantra?
Technically, just about ANY aftermarket seat will fit in the Tiburon or Elantra. However, finding seat brackets for those seats that will fit in the Tiburon/Elantra is the hard part. As of right now, the only company that makes aftermarket seat brackets is [Recaro](#). They are also probably one of the most expensive.

Here is a list of some of the companies that make aftermarket seats

[Recaro](#)

[Sparco](#)

[V-Racing](#) (Konig)

[Dynamic Auto Design](#) (DAD)

[Corbeau](#)
